5. South Western Command — Gandhinagar, Gujarat

6. Training Command — Bengaluru, Karnataka.
7. Maintenance Command Nagpur, Maharashtra.

Fleming's left hand rule	Fleming's right hand rule
Principle → Direction of force on a current carrying conductor (Motor effect)	Principle → Direction of induced current (Electromagnetic induction) (Generator)
Electric Motor	Electric Generator
Converts electrical energy → mechanical energy (dc to ac)	Converts mechanical energy → electrical energy (ac to dc)

Computer Science engineering

- Father of Computer Science — Alan Turing (Early roots in 1940s, formally 1970s)
- Dr. Pangaswamy Narasimhan → First Computer engineer in India

Badminton → Approx 13×5
→ PV Sindhu, Saina Nehwal

Principle Behind Ships (Floating)

Archimedes Principle → States that the upward buoyant force exerted on an object fully or partially submerged in a fluid is equal to the weight of the fluid displaced by the object.

Ships maintains positive buoyancy.

Principle Behind Submarines

Submarine fills its Main Ballast Tanks (MBTs) with air.

Floating : $F_{Buoyancy} > W_{sub}$

Diving : $F_{Buoyancy} < W_{sub}$
(water is allowed to flow in MBTs)

Marcos (Marine Commando Force)
Motto → The Few, The Fearless.

Initial Name → Indian Marine Special Force
↳ established in Feb 1987.

Major operations of Marcos → Operation Pawan (Sri Lanka),
Operation Black Tornado (Mumbai)
Operation Cactus (Maldives)

PV Sindhu

- World Champion → Gold medal at 2019 BWF World Championships
- Double Olympic Medalist

Saina Nehwal

- First Olympic medal → Bronze medal at 2012 London Olympics.
- World Championship successes

(V) About Delhi

River flowing through Delhi — Yamuna

Programs for Yamuna Cleaning

1. National Mission for Clean Ganga (NMCG)
2. Yamuna Action Plan (YAP)
2. Sewerage Infrastructure Projects (STPs)

- The 45 Point Action Plan (2056-26) [₹ 9000 Cr budget]
- Mata Yamuna Swachhta Abhiyan (July 2025)
- Yamuna Rejuveration Kosh (Nov 2025)
- Operation Wastewater (Jan 2026) (High tech mechanised cleaning)

Delhi Gov. Specific Policies

1. Zero-Discharge Policy → No untreated sewage in Yamuna
2. Decentralised Treatment → Construction of decentralised STPs.
3. In-Situ Treatment → Using technology to treat drain water.

1. Creation of Sewerage infrastructure to treat wastewater.
   - Construction and upgradation of major Sewage Treatment Plants (STPs) in Okhla, Kondli and Pitthala
   - Structures diverting raw sewage from major drains to STPs. (Najafgarh & Shahdara)

• Year-Round Clean Air Plan 2026
[Install of Online Continuous Emission Monitoring Systems]

• Winter Action Plan 2025-26
(Anti Smog guns, cloud seeding pilot)

AQI of Delhi
⇒ 300-400

Ongoing Policies to Control Air Pollution in Delhi

1. Graded Response Action Plan (GRAP)
Four stages — (Stage I: Poor, II: Very Poor, III: Severe, Stage IV: Severe Plus)
measures like banning non-essential construction, regulating vehicle entry, restricting highly polluting vehicle.

2. National Clean Air Programme (NCAP)
(20-30% reduction of particulate matter (PM))

2. BS-VI Emission Norms
(Mandatory cleaner fuel/engines for new vehicles)

4. Ban on Polluting Fuels
(Mandates PNG/Natural gas in industries)

5. Pusa Bio-decomposer Technology
(Reduces stubble burning by decomposing crop residue naturally)

6. 10/15 Year Vehicle Scrappage Rules
Removes old, High polluting vehicles (petrol, diesel cars).

Delhi's Neighbouring States

2. Uttar Pradesh	Capital → Lucknow	CM → Yogi Adityanath (BJP)

→ Delhi

Area → 1483 sq. km

Population → 2.1 Cr

Area of Delhi NCR → 55,083 sq. km

Population of Delhi NCR → 3.46 Crore

Delhi Metro

- Started in 24 Dec, 2002.
- Controlled by Delhi Metro Rail Corporation (DMRC).
- Metro Man — Dr. E. Sreedharan
- Network length — 394 km

Recent Terror Attack in Delhi

Suicide Car Bombing near Red Fort (10 Nov 2025).

→ Dr. Umar Un Nabi (Al-Falah University, Faridabad)

→ White collar terrorism

History of terror attacks in Delhi

2008 Serial Blasts	→ Indian Mujahideen
2005 Delhi Bombings	→ LeT
2001 Indian Parliament Building	→ Jaise-Mohammad, LeT
2000 Red Fort	→ Lashkar e Taiba

Recent Major Policies Passed in Delhi

1) Air Pollution Mitigation Plan 2025
   - Stricter Vehicle Regulations
   - Dust Control
   - Green Initiatives

2) Jai Bhim Mukhyamantri Pratibha Vikas Yojana (free coaching for competitive exams)

• Delhi Jan Vishwas Bill, 2026
(Decriminalizing minor business violations)

(Ongoing) (Launched 2015)
2) Mohalla Clinics → Free medical
• EV Policy 2.0 (Jan 2026)
(Subsidies on e-vehicles)

4) Mukhyamantri Mahila Samman Yojana
(financial assistance scheme providing ₹1000

3) New Skills Development Programme (2025)
(Training Youth in emerging technologies like AI, Robotics, Cloud Computing, Data Science)

4) Mahila Samridhi Yojana
(Monthly financial allowance of ₹2500 to EWS women)

5) Viksit Bharat CM Internship Program
(internship opportunities within gov. departments to students)

6) New Ration Card Drive

Major problems Delhi facing

1) Air Pollution
2) Water Pollution
3) White collar Terrorism (Internal Security Threat)

AVNI KHATTAR

Indian Navy

Major Operations

1) Operation Trident (A Hack on Karanchi) and Operation Python (1971)

Hero → Commodore Babru Bhan Yadav MVC
(Commander of Missile Unit)

Hero → Commodore T.S. Khurana, NM
(Planning officer)
→ Lt. Cdr. Vijay Jerath
(Commanded INS Vinash)

Sinking of INS Khukri
(anti-submarine frigate)

Hero: Captain Mahendra Nath Mulla, MVC

2) Eastern Naval Command: PNS Ghazi Incident → Secreting Bay of Bengal (1971)

Hero: Vice Admiral Nilakanta Krishnan, PVSM, OSC

3) Operation Cactus

Badminton

Recent Achievements of India

- Lakshya Sen — Won Australian Open (Super 500)
- Badminton Asia Team Championship 2024 (Women's Team of India won Gold Medal in Malaysia)
- Treesa Jolly & Gayatri Gopichand — Winner (Women Doubles) at Syed Modi India International (Super 300)
- Satwiksairaj Rankireddy and Chirag Shetty — Bronze Medal (Men's Doubles) at World Championships in Paris.

Type of Shots in Badminton

1. High Shots → Defensive
   - Clear (Hit high & deep)
   - Lift (Underhand Clear Shot)
2. Attacking Shots
   - Smash (The killer shot)
   - Drive (Hit fast & flat)
2. Short Shots
   - Drop (Soft & Steep hit)
   - Net Shot (Tumble over the Tap)
4. Serve
   - High Serve (Push to the Back line → Defensive)
   - Low Serve (Fast over the net → Attacking)

Terms →
- Alley → 1.5 feet wide strip on sides of court.
- Clear → "Fault" → player hits shuttle twice / Shuttle gets caught in net.

- Side out — Loss of the serve (right to serve is transferred to the opponent)
- Baseline — backline of court.
- Forecourt — area b/w net and short service line.

Scoring System in Badminton

→ 3 games (Each game → 21 points)

Winning a Game

A Side who scores 21 points (with a lead of at least 2 pts.)

- Deuce (20 All)
- Cap (29 All)

Faults in Badminton

1. Service Faults 2. Contact and Net Faults
3. Boundary Faults

Recent Naval Joint Exercises of India

	Exercise Name	Participating Countries	Date	Focus
1.	Malabar 2025	India, USA, Japan, Australia (QUAD)	Oct 2025	ASW (Anti-submarine warfare)

CI&I

Date

Q. Suppose you tell me about your education starting from class 10th onwards to present level. I would be interested in the percentage scored in various exams, the subjects chosen after class Xth for further studies and your future career options. Talk about the subjects you liked the most, which you did not care so much about. Talk about the Extra-curricular activities including games, sports, etc and about special achievements if any. I would like to know about the teacher you liked the most and those who did not impress you much and why? Mention about the friend circle you have moved with while at various stages of life like school/college/hostel. About your closest friends and why do you consider them so; also the ones you avoided and why? Any difficulties in financing your education and things like that. You may start...

↳ He will call some selected candidates forward

↳ The candidate he calls forward is the one who is likely to pass.

↳ Final group task is slightly frustrating by nature

↳ Sometimes, PGT-4 is also used as final group task.

↳ The moment the final Group Task gets over, the GTO will place you in one of the 3 categories:→

1) Recommended
2) Borderline
3) Not recommended. (Angularity).

Gap of at least
1. feet b/w pivot & resistance

Sirs I studied in Bloom Public School in Vasant Kunj, New Delhi, affiliated to CBSE. I obtained 94.4% marks in my class X. I had chosen PCM with Phy ed. in my class XI. I chose PCM since science and maths are my favourite subjects and I had scored 95 and 98 marks in them resp.

For XI and XII, I studied in SD Memorial School in Mahavir Enclave, Delhi and side by side, did coaching for JEE examinations from Allen Career Institute for 2 years. I scored 85.4% marks in my class XII board exams.

Sir, after my class XII, I appeared for a lot of competitive exams like JEE Mains, in which I scored 98.58 percentile, BITSAT, NDA, SRMJEEE, MET, VIT Vellore, IISER aptitude test and CUET. My performance in all of them was exceptional.

Sir, a lot of teachers have taught me till date. I was lucky to have some real good teachers. I personally liked all of them but my favourite was my maths teacher. She was knowledgeable, friendly, her method of teaching was unique and she treated

everyone with dignity. She was always ready and was always ready to solve our problems, even after working hours. All my teachers encouraged us to perform good in academics as well as extra-curricular programmes.
Sir, There is no teacher that I disliked.

Sir I am a very social person, I make friends easily I have a large circle of friends from various parts of my life; friends of my school, friends in my coaching and friends in my neighbourhood. Some of my friends are Anya, Kriti, Shivam, Bhoomi and Saumya. My best friend is Anya. I like her because she is transparent and helpful. We share a lot of similar qualities.

Sir, as far as my sports is concerned, I liked to play badminton in school and engage in playing football casually with friends of my locality. I also learnt swimming in my holidays.

Sir, talking about my extra-curricular activities, I had taken part in a lot of activities like

Olympiads, debate club, narrator in annual functions, art and craft and hindi poetry competitions. Sir, I was the Council member of my School for 2 years.

Sir, I did not face any difficulty in financing my education. My parents took care of it.

My aim in life is to become a submariner in the Indian Navy. I wish to serve in INS Arihant.

Decline in academic performance since class X to XII.

↳ Sir, from class XI onwards, I was focussing more on JEE entrance exam and prepared for XII boards only a month before.

AVNI KHATAR

Date

Q. That gives me a good idea, about your education and related activities. Now I will be interested in knowing about your family. Tell me more about your parents and other members of your family like brothers, sisters, uncles, grandparents etc their education and occupation. How do you spend time together; I would also like to know about the general activities at your home. What are the activities in which you are personally involved with your family? Whom do you approach for help when you have problem; in whom do you confide? Who are your friends in the neighbourhood and what social, cultural or other activities you have undertaken in their company? How much pocket money do you get and how do you spend it? If not, then how do you meet your monetary requirements? You may start ...

Sir, as far as my family is concerned, I stay in a nuclear family consisting of 4 members. My father is a higher secondary graduate and deals with stationary business. My mother is a post graduate and works as a home tutor. I have an elder sister, she had completed her graduation with a degree of B.Voc, Retail Management & IT from JMC, Delhi University. Currently, she is working as an HR recruiter in Career Net, Gurugram.

Sir, we are a close knit family, with very strong bonds. We spend time together at home generally during the evening hours, sharing our day's experiences and more.

Sir, since both of my parents are working, it is my responsibility to help my parents in household chores and run errands. I help my mother in online shopping, transaction, accompany her in weekly grocery shopping and take for a walk on alternate days to maintain her BP problems.

Sir, I am a very social person and I have a huge friend circle. I have friends in my school,

coaching as well as in my locality. We generally spend time together in the evening, playing game, talking and planning for any festival or birthdays.

Talking about pocket money, sir, there is no system of pocket money in my house. I do not get a fixed pocket money. Whenever I require money, I tell my parents about the requirement and get the amount needed.

Sir, I usually spend this money to buy books, mobile recharge and eating out with friends or cousins occasionally. Sir I also save some money for any unforeseen emergencies.

Tell me something you don't like about your father

Sir, my father is my role model. I accept him the way he is. Sir, it would be inappropriate on my part to judge my father or any elder.

What are your weaknesses ? Areas of Improvement

Sir, I get annoyed when someone behaves in unethical manner like spoiling walls, cheating in exam or passing loose comments. Also I am a perfectionist.
The areas on which I like to improve is my gk and current affairs, by reading more newspapers which I have started working upon.

Q. The Submarine branch is currently not open to women. So how do you still dream of joining it?

I understand the current policy restrictions, and I respect the Navy's operational decisions which are based on safety and effectiveness. However, my passion for the submarine arm and INS Arihant reflects my commitment to serve there. I believe that policies evolve with time, and I want to be prepared and ready to take on such roles whenever the opportunity opens for women.

Meanwhile, I am dedicated to excelling in the opportunities available to me and contributing to the Navy in any capacity. My long term goal motivate me to keep learning, growing and preparing myself for the future.

Space X → Falcon 9 rocket Spaceship → Dragon.

Blank Story

Date

As the Intercollege Basketball Tournament was approaching in a month, Sunita, the team captain set a clear goal—to win the tournament this year. She conducted fair trails and selected the best players purely on merit. To improve fitness, the team began running uphill with weights to build stamina. She introduced Yoga sessions to enhance their focus and mental strength. A professional coach was hired to train the team and the team regularly watched videos to learn modern techniques and strategies. Friendly matches were organised to build team coordination and confidence. Post match refreshments were arranged to ensure proper recovery. On the final day, the team entered the ground with high morale and unity. Their hardwork paid off as they defeated the opponent with a score 3-0, winning the Championship. Sunita felt immense satisfaction seing the team efforts turn into success.

AVNI KHATRI

Self Discription

Date

PARENTS

My parents consider me their most lovable daughter. They find me responsible, clear about my ambitions and capable of making quick decisions when required. I respect my elder sister and relative and maintain healthy family relationships. I actively share household responsibilities such as accompanying my mother in weekly grocery shopping and taking her for walks to maintain her BP. My parents value my opinions and often include me and my sister in important family discussions. They believe that once I set a goal, I put in dedicated effort to achieve it. However, they point out that I tend to eat junk food more often, which could affect my health. Taking the advice, I've started incorporating healthier food into my diet.

TEACHERS

My

TEACHERS

Date _____

My teachers consider me an academically bright student with clarity of concepts. I pay close attention in class and try to grasp as much as I can. They find me regular in assignments and appreciate that I complete tasks on time. They also value my consistent efforts during online classes, when many students were less attentive. For events like narrator of annual functions and speech competitions, they often nominate me. They see me as an active member of debate and art clubs and capable of handling responsibilities. I've served as a Council Member for three years. They see in me a good leader as I coordinate well with my peers in group work. However, they also feel I should give more time to hobbies and sports. To work on that, I've started playing badminton more often to maintain physical fitness.

AVNI KHATTAR

FRIENDS

Date

MYSELF

My friends consider me a sincere and studious person who plans things well and works hard to achieve them. They very often choose me as a coordinator for team projects. They appreciate my creativity and say I write good poems and have a nice handwriting. They describe me as simple, straightforward and honest, although not very good with the dressing sense. They trust me to stand by them in both good and bad times and say I constantly motivate them to perform better in tasks. However they feel I prioritize my academics and wish I spend more fun time with them. Some of my neighborhood friends jokingly complain that I'm too disciplined and always arrive on time, unlike them. To improve on this, I need coordinate with them beforehand so that we can sync our plans better

MYSELF

Date _____

I see myself as an ambitious and focused inviduals who remains hardworking throughout the journey. I am naturally eager and inquisitive to learn, whether in academics or extracurricular activities. I served as the Council member of my school for 2 years. I enjoy sketching, Calligraphy and poem writing, and I also learned skating and swimming during summer holidays, in addition to decorating and collecting data for projects assigned. During the lockdown, I utilized my time by learning basic abacus and Spanish online, which added to the creative edge of my personality. I like participating in science exhibitions, debate clubs and poem reciting competitions thus I am an all rounder. I strive to make my parents proud through my achievements.

AVNI KHATRI

Qualities you would improve

To achieve my aim of joining the defense forces, I would like to improve certain qualities that are essential for this career. Physical fitness being a key aspect, I am working on maintaining a healthy diet and would like to build more stamina through regular walking and engaging in sports.

I am keeping myself updated with current affairs and important global developments. I am also focussing on improving my general knowledge to perform better in interviews. I believe being well prepared and improving more on these subjects, I could be able to face the challenges and responsibilities of a career in the armed forces.

SSB Questions

1. Any problem faced after your arrival at SSB.

Ans. No Sir, I didn't face any problem after arriving at SSB Bhopal. The staff was well coordinated and the accomodation and other arrangements were properly managed. The process went smoothly.

2. Give a brief description of your journey.

Ans. Sir, I travelled to Nizamuddin Railway Station by cab. Thereafter, boarded the train Bhopal Expres on the night of 4th July 2025 and reached the Bhopal Junction the next morning at around 5:30 hrs. I travelled with my family in sleeper class and the journey was smooth and comfortable.

2. What is your place famous for?

Ans. Delhi is the capital of India, known for its historical monuments like the Red Fort, India Gate and Qutub Minar. It is also famous for its diverse

This years's India's defense budget is ₹ 6.81 lakh Cr.

↳ India is spending 3.2% & America 37% in the world on defense weapons.

Stock Home International Peace Research Institute (SIPRI Report).

In 2024, in the whole world ₹ 231 lakh Crore Spent on weapons & army.

India has increased the Raksha Budget by 1.6% in 2024. but in PAK, Raksha budget lead by 5.1%.

In 2025,
- Russia Ukraine War
- Israel-Gaza War
- Israel-Iran War
- India-Pakistan War

↳ All 4 astronauts, after 28 hrs travel, reached International Space Station successfully.

culture, political importance and vibrant street food

4. What is Bhopal famous for?

Ans Bhopal holds administrative importance as the capital of Madhya Pradesh. It is known as the City of Lakes due to its beautiful natural and artificial lakes. It is also famous for its greenery, peaceful environment and historical sites.

5. Name some lakes and monuments in Bhopal.

Ans. Some of the prominent lakes in Bhopal are Upper Lake, also called Bhojtal, and Lower Lake.
Major monuments include Taj-ul-Masajid, one of the largest mosques in India, Shaukat Mahal and Bharat Bhavan, which is centre for arts and culture.

6. What were the important railway stations that came between your place of boarding and the Selection Centre?

Ans. I boarded from Hazrat Nizamuddin in Delhi. Some of the important railway stations enroute to Bhopal junction

were Mathura Junction, Agra Cantt, Gwalior, Jhansi, Bina Jn. [Total 7 intermediate railway stations]

7. What are your views on Co-ed education?

Ans. Co-educational institutions promote healthy interaction between boys and girls from an early age. It helps in developing mutual respect, teamwork and better communication skills.

8. Tell me about your friends: What are they doing now.

Ans. I share a good bond with my friends from colony, coaching and school. My colony friend Shivam has enrolled in Maritime School in Pune after qualifying IMUCET, while Sachi appeared for jee mains like me. From my coaching Allen, Sanmya has taken admission in J.P University Noida in Electronics and Communication Engineering. My best friends Anya and Kriti are actively participating in JOSAA, JAC Delhi and GGSIPU counselings, just like I am. I also stay in touch with a few of my school friends from Class 10th, Bhoomi and Astha,

who are from commerce stream and currently waiting for their CUET results.

9. What are your views on necessity of tuitions.

Ans Tuitions can be useful to strengthen understanding and maintain a regular study routine. My mother is a home tutor herself — she teaches all subjects from 1st to 5th class and Hindi and Sanskrit from class 6 to 12th. I've seen her teach with full dedication and instill discipline in her students as I was too her student in my early classes. In Class 10th also I took tuitions of Maths & Science and with the guidance of excellent tutors, I scored 98 in Maths and 95 in Science in my Board exams. So, I believe tuitions when taken sincerely, can compliment self study and school learning positively.

10. What are your views on strict teachers vs friendly teachers.

Ans Both strict and friendly teachers contribute to a student's growth in different ways. My Maths teacher, Anna Ma'am, who taught me from Class 7th to 10th in School,

was very supportive and friendly, she made concepts easy to understand. My English teacher in Class 10, Manju Mazaro was strict during pre-board checking, which helped us prepare sincerely for the boards. Richa Ma'am, my chemistry teacher, was also strict with deadlines but respectful towards sincere students. During my JEE preparation at Allen, teachers were highly motivated and approachable. They scolded students only on non-completion of the modules, but never on getting low marks. Instead encouraged us on keep going and improving. I believe teachers always try to balance discipline with empathy.

11. Compare the advantages and disadvantages of being a day scholar over a boarder.

Ans Being a day scholar has several advantages over a boarder. Day-scholars enjoy the emotional support of family, healthy and balanced home cooked meals, and a familiar environment that can reduce stress and improve focus. They also have more flexibility in managing time outside and are monitored well by their parents. However, ~~they~~ their peer bonding may be limited to school hours, also the home environment can reduce the sense of urgency

in self reliance that develops in a hostel setting.

12. Tell me two things in which you are better than your sister and two in which she is better than you.

Ans Sir, my sister is five years older to me, so she naturally has more experience and a mature perspective. She is very creative in making mandalas and, as an HR (tech) recruiter. She has a sweet and approachable communication style. I, on the other hand, enjoy sketching and calligraphy and I tend to be more straightforward and direct in my interactions. Both of us have different strengths that reflect our personalities, and we continue to support and learn from each other.

13. Whom do you love more—your father or mother and why?

Ans I love both my parents equally as they have supported me in different but equally meaningful ways. My father is my silent support, always encouraging my dreams and ambitions. And my mother is very loving and caring in nature, supporting all my decisions

and guiding me in my journey. I feel grateful to have them in my life.

14. What was the saddest moment of your life.

Ans. The saddest moment of my life was when my JEE Mains second attempt result did not meet my expectations. I had studied sincerely for 2 years and was hopeful for a better score. But this phase taught me how to stay composed in setbacks and keep moving forward.

Afghanistan – Kabul.

Delhi, National Capital Territory of Delhi, is not a full-fledged state, but a Union Territory with special status. It has its own elected Legislative Assembly and Chief Minister, but key areas like police, land and public order are controlled by the Central government through the Lieutenant Governor (Vinai Kumar Saxena).

[State-like autonomy and Central Oversight]

→ Article 239AA.

Delhi NCR, National Capital Region includes Delhi, parts of Haryana, Uttar Pradesh, Rajasthan

Date

Metro Man of India → Dr. E. Sreedharan

↳ Delhi Metro — Inaugurated on 25 Dec 2002 by Atal Bihari Vajpayee.

↳ Currently 10 lines of metro operational in Delhi (Magenta Line → Driverless).

Problem faced by Delhi

① Air pollution

↳ DEVI's launched in Delhi.
Delhi Electronic Vehicle Interconnector

② Traffic Congestion
(Overpopulation & Vehicle density)

↳ Expansion of Delhi Metro.

Also,
- Ban on end of life vehicles >15 years.
- Artificial rain trials.
- EV Incentive policy.

AVNIKHATTAR

Date

- Yamuna Pollution
  (Untreated Sewage, toxic drains)
  ₹1500 Cr Yamuna Cleanup project.

Schemes in Delhi in 2025

1. Viksit Delhi Chief Minister's Internship programme
2. Expansion of Electric Bus (1025 new E-Buses).
3. Digital Fare Collection in DTC buses.
4. AI based anti pollution system.
5. Mission Maths
   (Activity based maths learning from ~~VI to X~~)
6. Zero Waste Pilot in Chanakyapuri
7. Clean Delhi, Green Delhi
8. Mahila Samriddhi Yojana
9. Sabka Ghar Awaas Yojana 2025 (DDA)
10. Free coaching for Competitive Exams ~~in govt~~
11. Ayushman Arogya Mandirs Expansion.
12. Power Subsidy (free electricity upto 200 units)
13. 6 New Khelo India Centres.
14. One-time Water Bill Waiver.

3. Southern Air Command – Thiruvananthapuram, Kerala
4. South Western Air Command – Gandhinagar, Gujarat
5. Western Air Command – Delhi

Largest ship in the Indian Navy – INS Vikramaditya.

↳ INS Vikrant is India's first indigenous aircraft carrier, built in India.

↳ INS Vikramaditya was acquired from Russia and is a modified Kiev-class carrier.

Indian Navy operates 7 type of ships

① Aircraft carriers
eg: INS Vikrant, INS Vikramaditya

② Destroyers
eg: INS Kolkata, INS Delhi

Date

② Frigates
eg: INS Granga, INS Shivalik

④ Corvettes
eg: INS Kamorata, INS Kadmatta

⑤ Submarines
eg: INS Arihant, INS Chakra

⑥ Patrol Vessels / Fast Attack Craft
eg: INS Tamal, INS Tarasa.

⑦ Amphibious Ships / Landing Platform Docks
eg: INS Jalashwa, INS Gharial.

Marine Commando Force (MARCOS)
(Raised by Navy in 1987).

Motto → "The Few The Fearless"

Division categories of Indian Navy

- Administration
- Logistics and Material
- Training
- Fleets
- Naval Aviation
- Submarines.

Indian Naval Air Arm

MIG-29K Multirole Fighter.

4 main roles of Indian Navy.

- Diplomatic
- Military
- Constabulary
- Benign.

1st July → INS Tamal handed over to Indian Navy.

Has Brahmos missile (can attack on land & on sea).

↳ Stealth warship

↳ Name given on God Indra's ancient talwar.

Multi-role Stealth Guided Missile Frigate.

Indian Navy currently has 140 warships & submarines.

By 2030, Target → 180.

Russia-Ukraine

↳ Russia attacked by 2 drones on Ukraine's military recruitment centre in Poltava City.

↳ Captured Luhansk region.

Lecturette

if you can dream it, you can achieve it.

Let my country awake — Rabindranath Tagore

Where the mind is without fear and the head is held high,
Where knowledge is free;
Where the world has not been broken up into fragments
By ~~domestic~~ narrow domestic walls;
Where words come out from the depth of truth;
Where tireless striving stretches its arm towards perfection
Where the clear stream of reason has not lost its way
Into the dreary desert sand of dead habit
Where the mind is led forward by thee
Into ever-widening thought and action —
Into that heaven of freedom,
my Father, let my country awake.

Still I Rise — Maya Angelou

Few lines

You may write me down in history
With your bitter, twisted lies,
You may trod me in the very dirt
But still, like dust, I'll rise.

Just like moons and like suns,
With the certainty of tides
Just like hopes springing high
Still I'll rise.

SRT Keywords

LPG news

Import Dependency — India imports 60% of its total LPG requirement.
(90% of imports pass through Strait of Hormuz)

AVINASH TIWARI

Page No.
Date

Strengths and Weaknesses

↳ Hardworking — Worked hard during JEE & NDA preparation
↳ Disciplined & Consistent — work consistently towards my goal, attend NCC drills with discipline
↳ I take initiative — Takes part/volunteer to participate in NCC fests, events and other related work.
↳ Good leader — I have participated in hackathons, in many of them I was team lead, assigned work of preparing prototype, various slides of presentation.
↳ Good at management of my work — Sometimes, have to leave a lab or class for drill practice, so I adjust spare time to complete practicals in the lab as well as take notes on the very same day.
↳ Keep my work up to date and can manage multiple things together.

Weaknesses

↳ I sometimes hesitate to say no — When some ncc work is clashing with an important class, I refuse very dishonestly, because both of them matter a lot to me.
↳ I find it difficult to stay idle.
↳ I can be self-critical at times, that surely helps in introspection but brings overthinking along.

Recently commissioned ships in Indian Navy

① INS Anjadip — 27 Feb 2026
— ASW Shallow Water Craft

② INS Taragiri — 2 April 2026
— Stealth Guided Missile Frigate

③ INS Aridaman — 8 April 2026
— SSBN (Nuclear powered Ballistic missile submarine)

④ INS Nilagiri, INS Agray, INS Sandhodhak — 21 Jan 2026

- INS Nilagiri → Project 17A Nilgiri class Stealth Guided Missile Frigate
- INS Agray → Anti Submarine Warfare Shallow Water Craft.
- INS Sandhodhak → Survey Vessel Large (SVL)

⑤ INS Nipun — 21 August 2026
— Diving Support Vessel (DSV) Nistar Class.

→ 21st COAS General Dhiraj Seth unveiled idea of VIJAY.

Transformational roadmap
- V → Vigilance
- I → Innovation and Transformation
- J → Jointness and Integration
- A → Atmanirbharta
- Y → Yodha First

Why Tanks still matter in modern Warfare?

① Physical ground presence can occupy territory, enforce surrender or establish political control. [drones, missiles can only cause heavy damage on military assets].

② Tanks are required for ground invasion of enemy territory, like in 1965 & 1971 Indo-Pak wars.

③ Russia Ukraine War
↳ Tanks were destroyed by inexpensive drones.

④ US-Iran war was incomplete due to drone warfare only.

India is developing the indigenous Zorawar light tank for operations along LAC.

↓

Developed by DRDO & L&T Defence

T-72 Ajeya → Army's largest tank fleet.
(2400-2500 tanks)
T-90S Bhishma - 1200 tanks

Challenge

Conventional warfare with Pak in plains.

Armoured operations against China in high Himalayas.

↳ Tanks require dedicated anti-drone protection and integrated air defence support.

[Wars are won not only by destroying the enemy but by controlling territory.]

9 July 2026 ★ India successfully test-fired the upgraded Pinaka Long Range Guided Rocket (LRGR).
↳ Indigenous multi-barrel rocket launcher.
↳ Range - 60-120km.

Top 5 Indian Missiles

① Agni
↳ ICBM (Intercontinental)
↳ Range - 5000+km

② Brahmos
↳ Supersonic Cruise Missile

↳ Range – 290 km.

② Prithvi
↳ Short Range Missile
↳ Range – 250 km

④ Nirbhay
↳ Subsonic Cruise Missile
↳ Range – 1000 km

⑤ Akash
↳ Surface to Air Missile
↳ Range – 25 km.

Places I visited in Visakhapatnam

- Rushikonda beach with my father.
- CMR mall with my fellow candidates during our outpass.

Popular tourist attractions in Vizag

1. Rushikonda beach
2. Ramakrishna beach
2. INS Kursura Submarine Museum.

AVIKI KATTAR

Date

Oct 2025,

Indian Navy commissioned

① INS Andaath → 6th Oct

(Anti Submarine Warfare Shallow Water Craft)

ASW-SWC

→ Anti Submarine operations → Corvette

Aug 2025,

① INS Udaygiri
② INS Himgiri
] → 26th Aug

Stealth frigate of Project 17A (Nilgiri-class) series

Commissioned at Visakhapatnam

Stealth Frigate → Balanced warfare (multi-role)

Destroyer → Fleet air & surface defence

Corvette → Coastal & ASW missions

Submarine → Underwater attack/stealth

Aircraft Carrier → Air operations and power projection

AVNI KHATAR

A submarine sinks and rises by controlling its density and buoyancy using ballast tanks, which are either filled with water or air.

→ To sink, the tanks are flooded with seawater, increasing the submarine's overall weight and density until it exceeds the surr. water's density, causing it to descend.

→ To rise, high pressure air is pumped into the tanks, forcing the water out and decreasing the submarine's weight and density, making it positively buoyant and allowing it to ascend.

Ships float due to the principle of buoyancy, which states that an object submerged in a fluid experiences an upward force equal to the weight of the fluid it displaces.

SSB previous attempts (Why I did not make it?)

① In Bhopal, screened out.
Wrote pre-conceived story in PPDT — no alignment with group story — could contribute less in GD.

② Bhopal, conferenced out.
→ Improve: Wrote story as per the picture, participated well in GD.

— Lacked updates on current affairs — could perform less obstacles in IO.

— Read news daily, focussed on physical fitness

② Visakhapatnam, conference out
→ Improve: Could answer all current affairs questions in interview, it went well.

Could have participated more in PGT, HGT & wrote very crisp responses in SRT (didn't explain much).

Interview + GTO + Psych:
— Did psych practice (with time stamps)
— Daily news reading, update on armed forces related knowledge.
— Reasoning practice
— Brainstormed on multiple ways to solve a GTO structure.
— Build confidence by practicing lecturette in front of mirror.

Organisations

① **United Nations**
- Established — 24 Oct 1945 → after WW-II
- Organs

UN General Assembly | UN Security Council | International Court of Justice | Economic & Social Council | UN Secretariat | Trusteeship council

- 15 Members
  (5 Permanent → Russia Ka Jaca → england (UK), China, France, America)
- UN Peacekeeping Forces
  Deployed in South Sudan, Lebanon, Congo
- UN Funds and Agencies

UNICEF | WHO | UNDP | WFP (World Food Programme)

- Veto Power in Security Council
  → Russia blocks resolutions on Russia – Ukraine war
  → China blocked sanctions against PaK's terrorists. (eg: Masood Azhar)
- Groupism (Western countries support Ukraine)
- Lack of Independent Military Power
- National interests over global
- Limited authority (energy related → OPEC)
- Sanctions ineffective
  [Russia redirected oil exports to India, China]

AVNI KHATAR

→ [Iran continues oil exports to China - indirect shipping]

- Financial Crises
  [Unpaid dues → $1.6 Billion in 2026]
- US withdrew from UN Human Rights Council & WHO.

Budget - US (largest contributer) - 1/3rd

- Not evolved to solve today's conflicts, cyber, drones, information warfares.

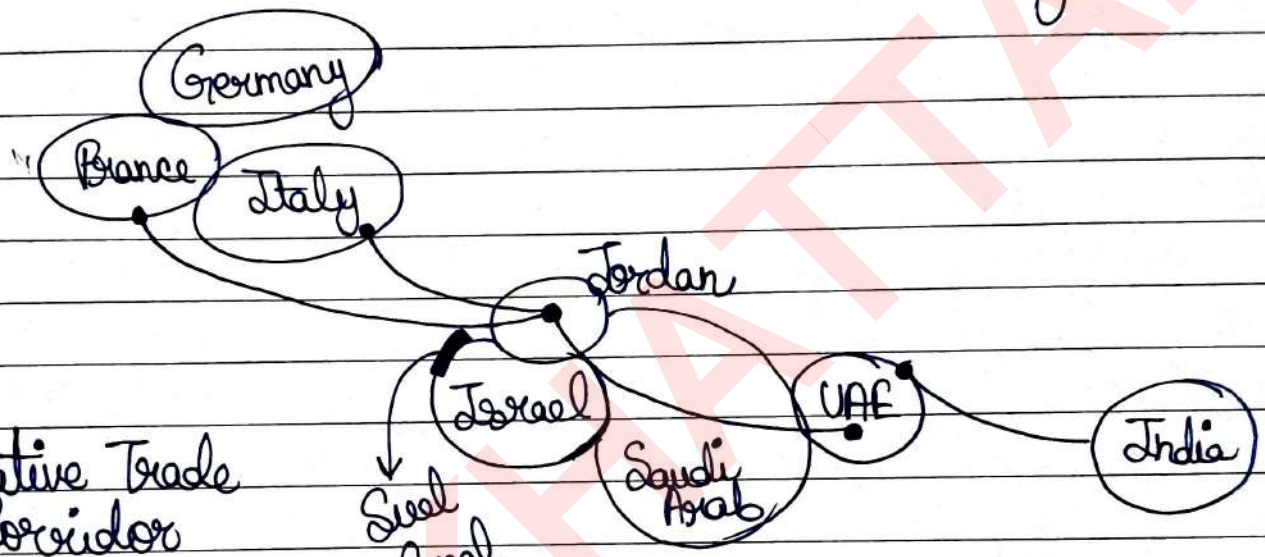
② IMEC (India-Middle East-Europe Economic Corridor)

- Announced – Sep 2023
- Countries involved –

India, Saudi Arab, UAE, Jordan, Israel, European nations

- Connects India to Europe through Middle East using Railways, ports, shipping routes, energy pipelines, digital & Electricity cables.



- Alternative Trade Corridor
- Counterbalance China's Belt and Road Initiative (BRI)
- Reduce Transport time by 40%.
- Energy and Digital Connectivity.
- Target → India aims production of 5 million tones of green hydrogen per yr by 2030.
  - ↳ Aim to capture 10% of global demand
  - ↳ Aim of $2 Trillion exports by 2030.
  - ↳ Strengthens India's relations with Saudi Arab, UAE, Israel.

AVNI KHATTAR

Page :
Date :

- Trade Connectivity (Connects 3 billion people)
- Clean Energy Transition
- Economic growth

Challenges
- Regional Instability (Israel-Gaza conflict)
- Infrastructure cost is high.
- BRI Scale (150 countries involved)

AVNI KHATTAR

Date :

(3) SAARC (South Asian Association for Regional Cooperation)

- Neighbouring countries of India
- 8 members

M B B S — Maldives, Bhutan, Bangladesh, Sri Lanka

P A I N — Pakistan, India, Nepal, Afghanistan

- Founded — 8 Dec, 1985
- Tourism — 1) 5 lakh Indian tourists visit Nepal & 2 lakh visit Srilanka in a year.
  2) Tourism contributes 7-8% of Nepal's & 10% of Srilanka's GDP.
  3) Buddhist Tourism — Lumbini in Nepal, Bodh Gaya in India
  4) 1.8 million tourists visit Maldives (Many from India, Srilanka)
- Visa Exemption Scheme
  ↳ Between India, Nepal, Srilanka, Bhutan
- SAARC Agriculture Centre — Food security, farming technology, rural development
  ↓
  Climate resilient agriculture.
- SAFTA (South Asian Free Trade Agreement)
  ↳ Tariffs reduced to 0-5%.
  ↳ India's trade with SAARC nations — $40-45 billion
- Students of SAARC countries get scholarship in its university.
- Climate — India, Nepal, Bhutan work on glacial research
- South Asia Satellite (GSAT-9) — launched by India
- Nepal Earthquake — Indian mission (Oper Maitri)

AVIJIT KHATTAR

Page :
Date :

- SAARC Disaster Management Centre

India supports neighbours → Provided covid vaccine.
→ Send 38000 metric tonnes of fuel to Srilanka, 18000 to Bangladesh

Challenge
- India-Pak tension
- Low Intra-Regional Trade

AVNI KHATTAR

Page :
Date :

④ ASEAN (Association of Southeast Asian Nation)

- Established — 8 Aug 1967 (Bangkok Declaration)
- 10 + 1 Members

P V S M → Malaysia, Myanmar
Ind — Indonesia
Phillippines, Vietnam, Singapore
Thailand, Brunei, Cambodia, Laos, Timor-Leste

Reason
- Due to colonial exploitation, world war 2 damages, they faced Poverty, Weak economies, Political instability

- AFTA (Asian Free Trade Agreement)
  - ↳ Reduced tariffs — 0-5%
  - ↳ Trade reached $4 Trillion.

- ASEAN attracts FDI (Foreign Direct Investment)
  - ↳ Cheap, Skilled Labour & Large Market.
- Promotes regional tourism
  - ↳ Thailand — Malaysia — Singapore joint circuits.

- AHA Centre (Disaster Management) — Jakarta.
- Student Exchange Programme

- Maritime Security — "Eyes in the Sky" Initiative
  - → Surveillance over Malacca Strait
  - → Joint naval exercises

- Public Health Cooperation
- Cultural Exchange Programme

AMNIKAFIAR

sold Brahmos to Phillipines, Indonesia, Vietnam

⑤ G20 → 20 members

European Union, African Union, US, China, Russia, India

- 85% of Global GDP, 75% of Global Trade
- 2/3rd of World's population.
- Formed — 1999

Reason
- 1990's ASIAN financial crisis → Global instability
- Global Financial crisis (2008)

Loans → World Bank
→ IMF (International Monetary Fund)

Tracks → Sherpa Track [Development — Climate, health, education]
→ Financial Track [Loans, debt]

from India → Amitabh Kant is Sherpa.

- India hosted G20 in 2023.
- 2008 Crisis (Banking Collapse in US) — G20 injected $5 Trillion into global economy.
- Debt Service Suspended Initiative (DSSI) → Suspended 13 billion debt during covid. (helped 73 countries)
- Global Inflation Coordination
- Strengthened IMF — ↑sed funds to $750 billion.
- Banking Reforms.
- Anti-Protectionism = Don't block trade
- Support Modernisation of Global Trade Rules (Faster customs)
- No taxes on digital downloads
- Diversified Supply chain
- Green products trade

Page :
Date :

- AMIS (Agricultural Market Information System)
- Food Security Initiative
- Millets Promotion (India 2023)

- Counter Terror Financing Framework
- Startup 20 Engagement Group

G20 Theme 2023 → Vasudhaiva Kutumbakam
Focus → Women led development, Climate action, Srinagar Tourism, Global Biofuel Alliance (Ethanol Blending)

Challenges
- No legal power, lack of enforcement
- Geopolitical tensions, USA, China, Russia conflicts.
- Failed to stop wars & terrorism, energy crisis.

AVNI KHATAR

Page :
Date :

⑥ G7

- 7 Developed Countries
  U CAN FIND GREAT IT JOBS
  USA Canada France Germany Italy The UK Japan
- First meeting - 1975
- 45% of global GDP.

Reason
- Oil Crisis (1970s)

- Promoted free & fair global trade rules, reduced tariffs
- Invested in clean energy
- Strengthen global health systems, funded Covid vaccines.
- Reduced dependency on single country supply chains
- Promoted cybersecurity cooperation, safe AI.

AVNI KHATTAR

Date :

⑦ NATO (North Atlantic Treaty Organisation)

- Signed – 4 April 1949
- 32 countries → Turkey
  - USA
  - UK
  - Canada
  - Most European countries

Reason
- To protect western countries from Soviet Threat (after WW-2)

- Article 5
  - ↳ Attack on one = Attack on all
- Invoked for first time after 9/11 attack.

- Budget – each country to spend 2% of GDP on defence.
- US – 65-70% contributer of budget.

- Defender Europe Exercise
- Trident Juncture

Weapons →
- THAAD (Terminal High Altitude Area Defence)
- JETS (F-35, F-16, Rafale, Typhoon)
- Radar (AN/TPY-2, AN/FPS-132)

- Maintained peace in Europe, maintained balance during Cold war, support Ukraine.
  - USA → Patriot missile defence system, Stinger missiles, Javelin anti tank missile
  - Europe → F-16 fighter jets, Leopard Tanks
  - Turkey → Bayraktar TB2 drones

Page :
Date :

- NATO did not help US in Iran–Israel–USA conflict.
- Inability to protect GCC countries from missile threats.

AVNI KHATTAR

Quadrilateral Security Dialogue

Page
Date :

(8) QUAD — Indo Pacific region

- 4 countries — India, USA, Japan, Australia

Reason
- Indian Ocean Tsunami (2004)

- IPMDA (Indo Pacific Maritime Domain Awareness)
- Exercise Malabar
  (Navies of QUAD)
- Semiconductor Supply Chain
  USA → Technology, Japan → Manufacturing equipment
  India → Emerging production hub
  Australia → Raw materials.
- Quad Vaccine Partnership
- Joint Disaster Response
- Pacific Islands Cable Connectivity project
- Green Infrastructure — Eco friendly ports, transport system
- QUAD Fellowship
  ($50,000 funding)

Challenges
- No summit in 2025 → US India Tensions (Tariffs)
- US military support to Pakistan (F-16 upgrades)
- India-Russia closeness

AVIJIKRATIAR

Page :
Date :

⑨ CPEC (China Pakistan Economic Corridor)

- Under China's Belt and Road Initiative (BRI).
- Connects Xinjiang (China) to Gwadar Port in Balochistan (Pakistan) (3000 Km dist)

China benefit:
- Chinese Sea Route avoids Malacca Strait choke point
- Shorter Trade Route (earlier 12,000–16,000 Km). now only 5K–6000 Km
- China gets direct access to arabian sea.
- Development of Xinjiang Region.
- Oil and gas from middle east reach Western China fast

Pak's benefit:
- Karakoram and Hazara motorway highways built.
- Railway project (Karachi–Peshawar Railway Upgrade)
- Gwadar Deep Sea Port
- Port Qasim Coal Power plant and Sahiwal coal power plant
- Employment Generation due to ports & highways.
- Connectivity hub b/w China & middle east

- Chinese Military presence
- Dual use infrastructure.
- China-Pakistan military cooperation, strengthen its economy. (2–2.5%)
- CPEC passes through Gilgit Baltistan (disputed)
- Competition to Indian ports (Gwadar V/s Chabahar, Mumbai)
- China's economic influence in South asia. (can affect IMEC).

- Investment ⇒ $60 billion
  Create 7 lakh jobs by 2030.

India-Russia Relation

History
- USA-led
- USSR-led

India → Non-aligned movement (NAM)

Indian Army (USSR made weapons)
- Mig-21, Mig-23, Mig-27, Mig-29
- T-55, T-72, T-72M
- Mi-4, Mi-8 helicopter

- 1962 War — USSR neutral
- 1965 War — USSR mediated (Tashkent Agreement 1966)
- 1971 Treaty of Peace, Friendship & Cooperation with USSR
  - ↳ USSR deployed naval support in 1971 war.

Weapons → Migs, Su-30MKI, T-90 Bhishma, AK203 Assault Rifle, S-400 Air Defence, Brahmos (In Op. Sindoor)

Navy → INS Vikramaditya, Kilo-class submarines, Talwar-class frigates.

- Joint exercise — Indra
- Rs 445 Cr order of missiles of Tunguska Air Defence system.
  - ↳ Su-57 also made for India.

- RELOS Agreement (Reciprocal exchange of Logistics Agreement)
  - ↳ Soldiers can be deployed on each other's land.
  - ↳ Naval warships can use dock facilities.
  - ↳ Indian navy can create presence to Arctic sea.

- Trade → $60 billion+
  - ↳ Target ⇒ $100 billion

AVINASH TIWARI

Page :
Date :

- Chennai-Vladivostok Maritime Corridor
- Russia - India's top crude oil supplier (34% of imports)

- 18,000-25,000 students of India study in Russia:
- In Moscow State University, Kazan Federal university (Majorly MBBS).

- 1.5-2 lakh Russians visit India (majorly Goa) & 70,000-80,000 Indians visit Russia (majorly Moscow)
- E-VISAS for Indians

- Kudankulam nuclear plant (Tamil Nadu) made with Russia's help
- Helped in Gaganyan Training.

- Rupee-Ruble Mechanism (Trade is not in USdollar)

Challenges:

- Russia-China Closeness
- Western sanctions on Russia affecting trade
- Delay in Defence supplies & trade imbalance.
